#### A. Foreign Language Proficiency (0-12 credits)

**Students must demonstrate intermediate competence (202) by coursework or examination**

**Important:** The requirements on this advising sheet hold for students entering as Politics majors from Fall 2011 onwards. Students who declared a Politics major prior to Fall 2011 can change their catalog year to 2011-12 – and thus be bound by these new requirements instead of the old ones – they but must do so at the start of the semester prior to graduation. Otherwise they must fulfill the previous major requirements in order to graduate

**\*A grade of "C" or better is required in all courses to count towards the major**
