Autumn Fest Service Project Opporuntiy

The staff of Circle Apartments are looking for student groups/clubs/organizations to sponsor an activity or game in our public spaces in and around the Circles Community Center for Autumn Fest (formally Emerson Halloween). Autumn Fest creates a positive trick or treating environment for the children of our faculty, staff, community, and students.

Looking for a great community service project? Please consider volunteering to create and run an activity for young children at Autumn Fest! Autumn Fest is on **10/22 from 4-6pm.**

We have limited public space and approvals will be done on a first come first serve basis.

If you are interested in participating, here to the need to know items
- The theme is Autumn and Halloween
- Everything should be **rated G**.
- This event will be outside so take that into consideration for your tabling/activity
- Each Club/Organization will have 1 (or 2) tables that should be decorated to the theme as well as present your club/org (we supply table and chairs)
- Create an activity geared towards children under the age of 12. Please note that your student group is responsible for the cost of the activity that you choose as well as set up/clean up.
