#ICFamilyWeekend

Get Engaged with the Ithaca College Family Council

As family members and caregivers, you are a vital support system for students as they navigate the excitement, triumphs, and challenges of college. Ithaca College Family Council is dedicated to ensuring that families and students sustain connections with the college and with each other, access resources, and create relationships that foster successful transitions, student development, and IC community pride.

Learn more about the IC Family Council—and how you can get engaged—
at ithaca.edu/families/family-council or families@ithaca.edu.

10:00 a.m.–6:00 p.m.

*Handwerker Gallery,
Gannett Center*

Handwerker Gallery Exhibits: *Prime* and *Metamorphosis Embodied*

Solo exhibitions by Joan Linder and Chen Wang both feature works created with traditional materials.

In a culture hyper-saturated by electronic imagery, Joan Linder uses the traditional materials of pen and bottled ink on paper to create life-size objects and images. For *Prime*, she is re-creating packaging of everyday consumer objects. Shipping and logistics information is intertwined with corporate branding, all faithfully reproduced by hand. In *Fulfill*, mass-produced boxes and bags are reconsidered in an unconventional art installation, which ponders the objects and aesthetics we invite into our homes.

Chen Wang's works find their origin in traditional painting and drawing practices, which go on to become technologically augmented sculpture and time-based installations. Her in-real-life works are brought into digital spaces, which become stand-alone video works or are incorporated into other multimedia sculpture. Her escapist fantasies and seemingly magical digital environments are constructed from start to finish by the artist in a self-contained studio practice.

General Information

Emergencies

In the event of an emergency on campus, contact the Office of Public Safety. The communications center is operational and staffed at all times (24 hours per day, year-round) and can be reached by dialing 911 from any campus phone or by dialing (607) 274-3333. Additionally, emergency phones are strategically located throughout the campus and are readily identifiable (by a blue light), offering immediate and direct contact with the Office of Public Safety.

Parking

Parking is permitted in all lots with the exception of P lot, closest to the Peggy Ryan Williams Center. Parking passes are not required for Family Weekend. Please note that emergency vehicles must have immediate access to all buildings at all times. Improperly parked vehicles present hardships for emergency response and pose a real threat to

public safety. As such, Ithaca College must respond to traffic infractions that impede emergency access such as parking in fire lanes, loading docks, walkways, sidewalks, or other non-designated parking areas and spaces. In the interest of public safety, improperly parked vehicles may result in the vehicle being towed at the owner's expense.

Pets

The college does not permit pets on campus with the exception of service animals. Families are requested not to bring pets of any kind.

Recreational Vehicles

Health regulations prohibit self-contained trailers and/or recreational vehicles from parking overnight on campus. Area campsite information is available from the Office of Conference and Event Services, (607) 274-3313. Address additional questions to Parking and Traffic Services, (607) 274-3756.
