Funding Alert from SGC

OSE-recognized student organizations can request funding for the Spring Semester during the Appropriations Committee's **last two meetings** of the semester. The last meeting will be Wednesday, December 6th. All budgets must be submitted on Engage by Sunday, December 3rd in order to present that Wednesday. We will not accept any Fall Funding requests during these two meetings. These meetings will be exclusively for Spring 2023 funding.

Keep in mind that our timeline requirements do not include breaks. Please plan for any events, operational needs, fundraisers, or travel in the beginning of the Spring Semester. For example, if you plan on having programming before February 12th, 2024, you will need to have a budget submitted to SGC by Sunday, December 3rd in order to fall within the 4 week time requirement.

If you have any questions, please reach out to us by emailing sgcbusiness@ithaca.edu!

Maintaining Recognition: Block 2 SLI's

As the semester comes to an end, be sure to attend a Leading @ IC SLI session to maintain active recognition for your club in the spring! This is a requirement for all four designated officers for each block as a recognized organization.

If your club has not been recognized yet, the deadline is Dec. 8! Your org must be recognized to operate in full capacity and have access to all OSE amenities. These are the last 6 sessions of the semester. RSVP on Engage today to ensure you have a seat! Remember, you must RSVP 24 hours in advance to receive attendance credit.

Clean perishables from SAC Storage

As we get closer to winter break, we want to remind you to remove your parishable food items from your Student Activity Center storage.

This prevents us from having to clean up messes in the future!

If you are aware of parishable items in your student org's storage and need to clean them out or wish to see if there are parishable items there, come to the SAC during our hours to have an SLC open your storage for you.

Thank you!

Updating Officers on ICEngage

Student Org Officers:

Please check ICEngage to make sure that your officer list and their contact information is updated and accurate.

People have had trouble reaching out to orgs and this may be due to inaccurate officer contact information.

This information should be updated at the beginning of each semester, so if you haven't done it for this semester yet, do it now!
