Home Delivery General Guidelines

- Standard Shipping takes 5 -10 business days and is free of charge.
- Expedited Shipping is available—to request it, call 800-934-4797.
- A credit card or debit card is required.
- Home Delivery is licensed in New York State and must follow New York State regulations. We cannot transfer Controlled medications between pharmacies in New York State. Any Controlled medications you currently take at your Wegmans retail pharmacy would require a new prescription from your doctor.

- Please let your doctor know that you have changed pharmacies. Here is information to share with your doctor for electronic prescribing:
