Announcements

DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually on the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website (ithaca.edu/commencement) within two weeks after the event.

SOCIAL MEDIA

Use the hashtag #ICGrads on Instagram and X to share your favorite photos from Commencement and congratulate our graduates.

FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from Amanda Gorman, "For there is always light, if only we're brave enough to see it. If only we're brave enough to be it."

BALLOONS

At Commencement, students graduating from the theatre arts program tie purple and white balloons to their wrists to commemorate the lives of IC theatre community members who have passed away.

ANNOUNCER

Marc Webster, associate professor of music performance, is the announcer.

MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in February for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one student is selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's.

Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

Honor Cords and Stoles

HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

Blue and Gold Cord

Summa Cum Laude (with highest honors) 3.900 and above

Gold Cord

Magna Cum Laude (with great honors) 3.700–3.899

Blue Cord

Cum Laude (with honors) 3.500–3.699

FIRST-GENERATION HONOR CORDS

Here at Ithaca College, we value our first-generation student population. We define a first-generation student as one who is the first in their family to attend and graduate from a four-year residential college in the United States. These students at IC have gone the extra mile as leaders throughout campus and have accomplished remarkable things in and out of the classroom. To celebrate this achievement, they have received a black and gold honor cord for today's ceremony. We wish all of our first-generation graduates well as they embark on their professional aspirations.

RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual rainbow reception, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

VETERAN STOLES

A Commencement tradition at Ithaca College is the veteran stole. The stoles, which are provided to students who have self-identified as veterans of the U.S. Armed Forces, display each student's chosen branch of military service. These stoles are in recognition of and gratitude for their service in protecting our country and are a special honor for veterans as a symbol of their self-sacrifice and service. We thank all veterans for their service.

KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana. For royalty throughout West Africa, kente is a sacred cloth worn only in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to recognize the Commencement of select students who exemplify leadership in programs with the BIPOC Unity Center or other programs across campus. The symbol on the Kente stoles, Nea Onnim No Sua A, Ohu, is a West African Adinkra symbol for "knowledge" and "a lifelong quest for learning"

Commencement Speaker

Jason DeLand '98

A 1998 graduate of Ithaca College and cofounder of globally renowned agency Anomaly, Jason DeLand '98 has made a significant mark in the advertising world, particularly known for his work on iconic Super Bowl ads for Budweiser,

including “Best Buds,” “Lost Dog,” and “Puppy Love.” Since its inception in 2004, Anomaly has risen to prominence under DeLand’s leadership, becoming one of the most celebrated marketing firms with eight offices and over 750 employees worldwide.

Throughout his career, DeLand has been instrumental in acquiring and managing major accounts such as Coca-Cola, Major League Baseball, Disney Parks and Resorts, Panera, and Dick’s Sporting Goods as well as Anomaly’s venture businesses. His significant contribution to managing the Global Budweiser account is particularly noteworthy. In addition to producing three of the most popular and the most viewed Super Bowl ads in history, he has overseen Budweiser’s World Cup sponsorships and facilitated its expansion into markets such as China and Nigeria.

Recognized as one of *Adweek’s* 20 most influential people under 40 in 2012, DeLand has led Anomaly to numerous accolades, including *Fast Company’s* 50 most innovative companies in the world, *Ad Age’s* U.S. agency of the year in 2018, and *Adweek’s* equivalent honor in 2022.

A committed advocate for social responsibility, DeLand has been a board member of the DREAM Charter School in Harlem since 2014. His insights as a press commentator and marketing expert have been featured on platforms like *Bloomberg News*, *Fast Company*, *Ad Age*, *Business Insider*, and several podcasts.

DeLand’s connection to Ithaca College remains strong. As a student, he earned a bachelor’s degree in communications from the Roy H. Park School of Communications and was a dedicated athlete, earning four letters in baseball. Since graduating, he has contributed significantly to the college, advising on the development of a new visual identity for Ithaca College athletics and collaborating on branding efforts with the college’s marketing and creative teams.

In recognition of his career accomplishments, DeLand was honored with the Ithaca College Alumni Association’s Professional Achievement Award in 2017.

Student Speaker

Mikayla Elizabeth Tolliver '24

In the spirit of inclusivity and of broadening the voices to be represented at this important celebration, all graduating seniors were invited to apply

to be chosen by the Ithaca College Commencement Committee to represent the class of 2024 as the student speaker. Selected to deliver those remarks was Mikayla Elizabeth Tolliver '24, who will be receiving a bachelor of arts degree in writing with a concentration in creative writing and a minor in sociology.

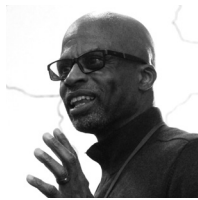

In addition to her work in the classroom, Tolliver has been involved in several campus organizations during her four years at IC. She was a member of the sixth cohort of BOLD scholars, cochaired the Admission Host Committee, and was president of *Buzzsaw* magazine. As a first-year student, she wrote the “Ask a Freshman” column for *The Ithacan*.

In 2023, Tolliver was part of the School of Humanities and Sciences Summer Scholars Program, during which she worked on writing her first novel and conducted research on diversity and representation within the young adult fantasy genre. After graduation, Tolliver plans to pursue work with a creative writing nonprofit and then attend graduate school to further her education and continue strengthening her writing.

Presidential Medal Recipient

First awarded in 2019, the Ithaca College Presidential Medal was created as a way to honor an individual or a group whose significant contributions better our Ithaca College community and better our world. The recipient must capture the spirit of Ithaca College by demonstrating a deep dedication to the importance of intellectual growth; a commitment to the evolution of character, identity, and spirit; and a strong sense of service and sustainability that is greater than oneself.

The Ithaca College Presidential Medal is a replica of the medallion given to graduating IC students at Commencement to commemorate and forever connect to this celebratory occasion and this tremendous honor.

Nicholas Carl Moore '80

A proud alumnus of Ithaca College, Nicholas Carl Moore '80 has invested heavily into the lives of the students and graduates of IC as a mentor for more than 40 years.

During his time at Ithaca College, Moore was instrumental in helping to form and participate in several student organizations, including the Afro-Latin Society (ALS), Kuumba Repertory Theater Group, Imani Singers Gospel Choir, BBB (Building a Better Brotherhood) basketball, and the EOP Minority Professionals Symposiums. But his legacy at IC is anchored as the artist who created the mural located in the ALS Room, a place in the West Tower that has hosted thousands of visitors for more than four decades and left an indelible impression on the college community at large.

Upon graduation, Moore joined New York State senator Anthony Masiello's office in Albany as chief legislative assistant from 1981 to 1986, fostering key legislation for affordable housing along with increased funding for

education, child and family health, and crime and drug abatement. He was then recruited to New York's Department of Labor as an affirmative action officer from 1986 to 1988. He also served as a college and professional men's basketball coach in the United States and Puerto Rico, and several of his players went on to play professionally in Europe.

After his coaching career, Moore became a partner in Preferred Management Group, a sports and entertainment enterprise. In 1994, he moved to Charlotte, North Carolina, and launched a sports marketing and business development firm and a consultant group for event marketing, trade shows, and sporting events. In 2009, Moore's commitment to community service and marketplace outreach led to his founding of Mandate Ministries, which serves the homeless population and women who are victims of domestic violence. He has also authored 17 books about faith enhancement, family empowerment, and community engagement.

Currently, Moore is the chief executive officer of Soteria Holdings, a business development consultancy targeting sustainable systems and affordable housing projects in the Turks and Caicos Islands and Uganda.

Ithaca Forever

Ithaca, forever shine your light on me.
In my heart together we shall always be.
And here's to Ithaca, my Ithaca, how beautiful you are.
Your towers high upon South Hill reach from stone to star.
Ithaca, forever I'll recall a smile,
Clasp a hand in friendship, walk a snowy mile.
And here's to Ithaca, my Ithaca—alma mater true.
Although I leave Cayuga's shore, I'll remember you.
Ithaca, forever guide us on our way.
Like a shining beacon light our night and day.
And here's to Ithaca, my Ithaca, how bright your vision seems.
May all your sons and daughters dare to live their dreams.
