SGC Funding Block I

Does your org plan on traveling or having programming During Block 1 of Fall 2024 (September or October) with SGC funding? SGC will be taking budget requests for Block 1 of Fall 2024 starting March 20th – these requests can be travel and/or programming. We are also taking budget requests for operational budgets for the Fall 2024 semester.

Only student organizations whose 4 designated officers have completed their Spring semester Leading @IC SLI requirement are eligible to request Fall Funding during this semester. The Office of Student Engagement will be offering many informative new Leading @IC sessions with information on topics such as treasurer transitions, financial planning for the fall semester, and more during Block 4. Stay tuned for those sessions to open soon for registration on Engage!

LEADER**

**APPLICATION WINDOW:
March 18-April 10**

Current IC Students can apply to be a Jumpstart Leader for August 2024! Jumpstart Leaders participate in one of fourteen Jumpstart programs as a peer leader, and are a valuable source of information and advice as students begin their college experience.

If selected, you would be able to move in to your residence hall room on August 18. Meals will be provided during the Jumpstart program, and dining halls will be open for students with meal plans for the week prior to classes starting.

By meeting first-year students, you can encourage them to participate in student organizations and clubs on campus!

The Jumpstart Leader position is a volunteer, peer mentor position. Leaders gain valuable leadership skill development, lasting connections with their peers and the first-year students in their small group, meals during the entirety of the program, and free Jumpstart swag!
