

**HOW THE CREDIT HOUR POLICY IS IMPLEMENTED IN BANNER (as of Fall 2024)**

| <b>Type of Instruction</b> (credit hour policy)   | <b>Instructional Method</b> (Banner) | <b>Requires curricular review</b> | <b>Course in semester schedule</b> (for regulatory compliance)   |
|---|--------------------------------------|-----------------------------------|--|
| I. Faculty-led, classroom-based instruction   | Regular Interaction                  | No                                | All class meetings add up to the required amount of time/credit per week                                   |
| II. Activity supervised as a group  | Supervised Group                     | No                                | All class meetings combined exceed the required amount of time/credit per week                             |
| III. Supervised individualized study  | Individualized Study                 | No                                | No class meetings scheduled – time spent on syllabus or in contract  |
| IV. Courses combining faculty-led classroom-based instruction with advanced individualized study  | Advanced Supplemental Interaction    | Yes                               | Class meetings do not meet the required amount of time/credit per week – time spent documented on syllabus |
| V. Courses combining faculty-led classroom-based instruction with asynchronous online instruction | Hybrid                               | Yes                               | Class meetings do not meet the required amount of time/credit per week – time spent documented on syllabus |
| Distance/Online Teaching and Learning   | Online Synchronous                   | No                                | All class meetings are held via zoom/teams and add up to the required amount of time/credit per week       |
| Distance/Online Teaching and Learning   | Online Asynchronous                  | No                                | No class meetings scheduled - time spent on syllabus   |
